

# Colorado nonprofits, keep your mission moving forward.

## THE COLORADO NONPROFIT BRIDGE LOAN FUND

provides the short-term capital nonprofits need to maintain services while waiting for government reimbursements.

### ELIGIBILITY:

- Any Colorado-based nonprofit with an approved and current federal, state or local government grant is eligible for this fund
- No restrictions on nonprofit type, issue area, geographic region or sector

### LOAN DETAILS:

- Max loan amount: \$250,000
- Rate: 2%
- 6-month term with option for 6-month renewal
- Unsecured
- All loans are subject to credit approval

Nonprofits across Colorado are delivering essential services, often under government contracts. These contracts are reliable in the long term, but payment delays can threaten the continuity of services. The Colorado Nonprofit Bridge Loan Fund fills this gap by providing short-term, low-cost loans.
